Award Letter

Dear Oluwaseun

It is with pleasure that we would like to announce that you have been selected for a studentship to assist attending the 2026 ACA Summer Course in Chemical Crystallography, to be held at Purdue University from June 7th till June 14th, this year.

Thanks to the generous student travel support provided by the American Crystallographic Association ACA, the International Centre for Diffraction Data ICDD, the Cambridge Crystallographic Data Centre CCDC, the American Union of Crystallography and our other sponsors, we are able to award you a \$300 studentship. All student attendees of the ACA Summer Course will also receive a \$150 food voucher to offset lunch and dinner expenses.

You will receive the studentship in form of a \$300 reduction when registering for the course.

Congratulations! We are looking forward to seeing you at the ACA Summer Course this June!

For the organizers,

Dr. Matthias Zeller (Purdue University)
Dr. Allen Oliver (University of Notre Dame)
Ms. Charlotte Stern (Northwestern University)
Dr. Nathaniel Barker (Northwestern University)
Dr. Christos Malliakas (Northwestern University)
