

Certificate

OF COMPLETION

Oluwaseun Ajayi

Has met the completion criteria for the self-study tutorial
Introduction to Research Ethics

Learning outcomes of the tutorial: (1) Explain key principles and codes of research ethics; (2) Evaluate the ethical soundness of a proposed research study; (3) Critically assess ethical challenges and dilemmas across the research process, drawing on past examples of unethical research and current pressures on researchers; (4) Apply step-by-step approaches to seeking ethical approval. In each unit, there were learning resources, a quiz and activities.

Date: November 26th, 2025

Average Study Time: 10 Hours

INASP is an international development organisation based in the UK. The [Rising Scholars Project](#), which is coordinated by [INASP](#), provides support, mentoring, resources and training for researchers in low and middle income countries.
